Graduate students PETER D. BOOTHROYD and JOHN L. EVANS received \$3,500 each to attend The University of Alberta.

Graduate students receiving grants for study elsewhere include ERIC LINDEN, \$3,500; GEORGE L. PAUL, \$5,500; and JOHN L. YOUNG, \$4,500.

Chaplains

MURDITH R. MCLEAN, Anglican Chaplain, \$4,500, to study elsewhere; MICHAEL J. FALLONA, Lecturer in Theology and Chaplain of the Newman Centre, \$5,500, to study elsewhere.

PEOPLE

M. N. OGUZTORELLI, Professor of Mathematics, visited Australia and Japan from March 19 to April 8. While in Australia, Dr. Oguztorelli gave several talks and colloquia at the Australian National University in Canberra, the University of Western Australia in Perth, and the University of Queensland in Brisbane. From April 1 to 8, Dr. Oguztorelli attended the International Congress on Functional Analysis and Related Topics in Tokyo.

On April 10, EARL W. BUXTON, Professor of Secondary Education, was presented with an honorary membership in the English Council of the Alberta Teachers' Association. The presentation was made at a meeting of the Council in Red Deer. The certificate presented to Dr. Buxton stated that the presentation was made "in special recognition of outstanding service towards English instruction, and to the cause of Education in this Province."

LESLIE C. GREEN, Professor of Political

Science, participated in the Twenty-Second Annual Conference on World Affairs at the University of Colorado from April 14 to 18. Dr. Green, the only Canadian at the conference, spoke at seven sessions: China—as Fancy; United Nations—Under Law; Africa—Unity; Asia—Malthusiana; China—and the U.S.S.R.; The Middle East,—Peace; Arms Control—The Span of Arms Control; and the final plenary session.

HOWARD R. KROUSE, Associate Professor of Physics was awarded a research grant by the Imperial Oil Enterprises, Ltd. The amount of the grant was \$3,000, and not, as reported in FOLIO of April 17, \$300.

UNIVERSITY FAMILY GIFTS GROW

Contributions from the University Family to the Three Alberta Universities Capital Fund Campaign, Edmonton Division, are growing. At last count, more than 170 members of the academic and non-academic staff at the University had contributed \$145,688 to the \$25,000,000 campaign.

"The response has been very heartening," said HARRY E. GUNNING, Chairman of the Department of Chemistry, who is also chairman of the University Family Committee. "We are coming along quite well."

LORNE MACPHERSON, assistant fund director in Edmonton, said the response indicates support for the University.

"If there has been any feeling that the University employees are not appreciative of the University and its place in the community, the overwhelming support we are receiving would seem to refute that," Mr. MacPherson said.

VISITORS

DONALD SNOWDEN, Director of Extension at Memorial University of Newfoundland, and a consultant to the Office of Economic Opportunity in Washington, D.C., presented two seminars to government and University personnel on Memorial University's involvement in the "Challenge for Change"

film project. Mr. Snowden was a guest of the Department of Extension, which organized the seminars.

WAYNE A. DAVIS of the Defence Research Telecommunications Establishment in Ottawa, addressed the Department of Computing Science Colloquium on April 30.

J. TIMOURIAN, Professor of Mathematics at the University of Tennessee, was the speaker at the Department of Mathematics Colloquium on April 22. REX DARK, Professor of Mathematics at the University of Chicago, addressed the colloquium on April 23.

NOTICES

QUATERNARY RESEARCH SYMPOSIUM

On May 13 and 14, the Associate Committee on Quaternary Research of the National Research Council of Canada, and the Alberta Institute of Pedology of The University of Alberta, will sponsor a Symposium on Pedology and Quaternary Research. Symposium headquarters will be in Lister Hall, and all meetings and functions will be held there.

The symposium is primarily concerned with providing a series of review papers dealing with the applications of pedological principles to solving problems within the Quaternary. Special emphasis is placed on research methodology and application. Invited papers dealing with pedological studies in special environments related to the Quaternary will be presented. A field trip in the Edmonton area will conclude the symposium.

Further information and registration forms may be obtained from Steven Pawluk, Associate Professor of Soil Science, local 4695.

TRAFFIC

The Construction Office has advised that 114 Street will be closed to traffic from 87 Avenue to 83 Avenue during the week of May 5. The closure is due to the breaking up of pavement for repairs. The work will be done by Poole Engineering Construction Ltd.,

under the University of Alberta Area Utilities Conversion Phase I Contract.

CHANGE OF NAME

The Campus Security Force is now to be known as the Campus Security Service.

CHAMBER MUSIC SOCIETY

The Edmonton Chamber Music Society has announced its 1969-70 concert series and is conducting its spring campaign for season subscribers. The series will open October 15 with a concert by the Philadelphia String Quartet. Other concerts include the Brussels Chamber Orchestra on November 6; the University of Alberta String Quartet in a debut performance on February 11; the Zurich Chamber Octet on March 4; the Alma Trio on April 8; and the Amadeus String Quartet on April 29.

Memberships can be purchased until June 1 from the Membership Convenor, 12919 - 63 Avenue, Edmonton 62. Memberships are \$10 each, with a special rate of \$18 for two until June 1. Full-time students can purchase memberships for \$4. After June 1, memberships will be on sale at the Allied Arts Box Office in the Hudson's Bay, or at the Department of Music Office.
